

June 2, 2025  
J-Pharma Co.,Ltd.

## **Office Relocation Notification**

J-Pharma Co., Ltd. announces the relocation of its office to the new address below, effective June 2, 2025, in preparation for an increase in the number of employees due to business expansion and further growth in the future.

Based on its corporate philosophy of “contributing to people around the world to maintain good health and hope through the development of innovative new drugs that address unmet medical needs by pursuing new possibilities for SLC transporters,” the Company aims to achieve sustainable growth and increase its corporate value over the medium to long term.

Taking the opportunity of the office relocation, we will improve our organizational structure to secure and retain excellent human resources, maintain and improve the motivation of our employees, and develop the skills of each individual and create a comfortable working environment.
