J-Pharma President and CEO Masuhiro Yoshitake Speaks at BioJapan 2026 Luncheon Seminar

— Seminar Title: Real-World Lessons in Global Clinical Development and Market Expansion —

J-Pharma Co., Ltd. (Head Office: Minato-ku, Tokyo; President and CEO: Masuhiro Yoshitake; hereinafter “J-Pharma” or the “Company”) today announced that President and CEO Masuhiro Yoshitake spoke at a luncheon seminar hosted by Syneos Health Japan during BioJapan 2026, held at PACIFICO Yokohama on October 7, 2026.

Presentation and Venue Scenes from the BioJapan 2026 Luncheon Seminar.

The seminar, titled “Real-World Lessons in Global Clinical Development and Market Expansion,” featured presentations and discussions on global clinical development strategies and overseas market expansion. Drawing on J-Pharma’s experience in global development and its initial public offering (IPO), Yoshitake discussed the company’s efforts and the challenges faced by Japanese biotech companies pursuing international expansion.

J-Pharma will continue working with partners in Japan and overseas to bring innovative medicines developed in Japan to patients worldwide.

■ Seminar Overview
